

# Get a yearly preventive care visit right at home.

We'd like to help you live healthy by bringing a health care practitioner to your home with the UnitedHealthcare® HouseCalls program. HouseCalls supplements the care you get from your regular doctor. And it has members talking.

My nurse seemed like she really cared what I was talking about and I really felt like she was concerned about my health.

– Bill B.

The appointment is in my own house and it was very relaxed.

– Cheryl R.

## Meet Ida.

I would absolutely recommend the HouseCalls program to friends, because you have another professional looking out for your health.
